

Dear Silver Shells Homeowners,

Your Master Association will have a call-in line for the 2025 Annual Meeting.

Dial in (407) 205-0551

Conference Code 462628

You will be able to call in to ONLY LISTEN to the meeting. You MUST BE ON MUTE when you call in. The reason for being muted is to avoid extraneous noise. If people do not mute their phones, we will be forced to disconnect that call. If you have questions after the meeting, please email candace@superiorcondomgmt.com and I will pass them along to the Board of Directors.

Thank you very much, Candace Coughlin

Silver Shells P.O.A. Assistant General Manager
